Day 4

Metropolis North America "Multizaics Stone™"- Designed by Michael R Golden – one of the most creative new concepts I have seen in some years. Now you will have to reach out to Metropolis as this was truly a show stopper.....

Crossville

- On a return visit I saw the new 18x36 Moonstruck, very nice.

Soho Studio – great decorative company

Coem – I missed this on the first pass

- Urban Avenue
- Bricklane

Settecento Mosaici – nice wall tile lines and cool 4”-5” hex

Atlas

- Etic

Porcelanite

- Nevada – is a simple white in a 10”x30” size, I am sure we will see more of this size!

Day 3

Stonepeak wall tile? Yes, very nice on the exterior of the booth. Yes, wall tile is growing even more and more with the onset of the rectangular and we will see this grow larger as with floor....

Elaine - nice wall tile package as they have added capacity

Another repeat of Cersaie with the HEX phenom..... , however, more and more are being pressed versus water jet

Florida Tile - jumping into the thin tile market.....

Crossville

- Yin Yang marble - excellent colors and very cool shapes!
- Ready to Wear - very cool concept
- Speak Easy - Love the size package all in one line

Day 1 & 2

Show Stoppers!

- * **Pera Tile - if you have not seen what this company has done, you need to take a look. Great designs and great company!**
- * **Ornamenta - Gamma Due continues to bring new and exciting designs to the industry that is second to none!**
- * **Studio S - yes Sylvia is back on the scene, definitely an up and comer to watch!**
- * **Bellota - a new manual cutter that will rival both Rubi and Sigma in the coming years!**
- * **Penrod/Warmset - great new heating system!**

Cerdomus - as usual Luca has some great forward designs in:

- Versus
- Oikos
- Kendo - great in polished!
- Chimera - kind of a slate/blue stone mix
- Kreep - yes I know funky name, but what do you expect from Cerdomus!

Florim

- Collection 01
- Colored Cement

Bellavita - more great wall tiles and glass looks!

Arvex- interesting and different design in mosaics

Florina

- Yun Light series - this company has actually developed some nice concrete looks

Isla

- Pietra Tiburtina - great look in 7 sizes!

Emil

- 99 Volte
- Cornerstone
- Kotto Brick

Fioranese

- Chevronchic
